

REGULATION
on the Organization of Refereeing
at the Guard of Order International Contest

I. General Provisions

1. This Regulation shall determine the order of relations among referees, their rights, duties and other issues relating to referee activity during the contest.

2. The official languages of the Contest are the Russian and English languages. On the territory of the co-organizer state the national language is the official language.

3. Refereeing is carried out by the Panel of Judges in accordance with the Regulation on the Contest.

The composition of the Panel of Judges of the Contest:

Senior Judge of the Contest;

Deputy Senior Judge of the Contest;

Secretary of the Panel of Judges;

Interpreters (if necessary);

Referee on the Route – 4 persons;

Senior Referee at the Shooting Range;

Referee at the Shooting Range;

Referee-Expert – 2 persons (if necessary);

Field Referee for each stage– 4 persons.;

Reserve Field Referee;

Referee-Announcer;

Referee-Timekeeper;

Referee-Starter.

The Panel of Judges also shall include specialists from military units and formations that provide military service (upon agreement).

The personnel of the Panel of Judges and Contest Administration shall be approved by the Deputy Head of the Main Military Police Department of the Russian Ministry of Defense upon submission of the Chief of the Contest not later than two days prior to the Contest commencement.

4. In case of referee lack for any reasons related to the peculiarity of the route of individual or team races, an increase in the composition of the Panel of Judges is permitted.

5. The Panel of Judges shall also include a coach or a technical worker from a Participating Team. Upon the application of the Participating team the Panel of judges may include a specialist (a serviceman who has an appropriate education or military qualification) who has arrived as part of delegation (operation group) with team.

Chiefs of Participating Teams cannot sit in the Panel of Judges.

If in view of special circumstances a Team Chief has to participate in refereeing (in case of referee lack), he shall only have consultative role without right to make decisions on protests.

6. The Panel of Judges of the Contest is headed by the senior Judge of the Contest. Other Panels of Judges cannot be established. The organizer (co-organizer) of the Contest can neither influence the decisions of the Panel of Judges and nor participate in its work.

The Senior Judge of the Contest is appointed by the authorities of the Host Nation Defense Ministry.

7. Refereeing principles:

impartiality;
 publicity;
 democratic character;
 assessment equal treatment;
 cooperation;
 objectivity;
 fairness;
 tolerance;
 openness.

8. The number of judges shall be uneven. The interpreters do not have voting right.

9. Tasks of the Panel of Judges:

ensuring the planned course of the contest in accordance with the approved program;

creation of objectively equal conditions ensuring fair conduct of the contest by the contest participants, as well as observance of ethical norms and moral requirements imposed on them;

fulfillment of the conditions of the contest program and the procedure for determining individual (team) results;

full compliance with the rules of the contest and established security requirements;

ensuring objectivity in determining the winners;

determination of the winners of the contest competition and the contest in whole on the basis of the results obtained, approved by the chief referee of the contest after an open vote by a majority of the Panel of Judges votes.

consideration of protests (appeals) on the order and rules of the contest or the results of their participants.

10. The Panel of Judges has the right to demand from the Contest organizer (co-organizer) the creation of objective and equal conditions in competitions for all team members. The decision of the Panel of Judges on the creation of objective and equal conditions in the Contest is mandatory for the organizer (co-organizer) responsible for conducting this contest.

This Regulation is verified in writing by representatives of the Contest Participating States, thereby confirming their consent for unconditional leadership of the rules unified for all contest participants.

Amendments to this Regulation may be made by a decision of the refereeing commission of the contest after an open vote with a majority of votes.

11. The Senior Judge of the Contest shall chair the briefings of the Panel of

Judges that shall settle the following:

- daily rules and procedures for the Panel of Judges;
- general procedure of determining the participant and team ratings, dealing with dispute matters, received from the Contest venues and decision making.
- issues of interaction with the Army Panel of Judges and media representatives.

12. Not later than two days prior to the Contest commencement the Panel of Judges shall do the following:

- check readiness of the teams, weapons, vehicles and equipment. The received information shall be documented in a protocol;
- if necessary conduct briefing with media representatives, where shall inform them on the Contest program and other issues.

perform other tasks as directed by Senior Judge of the Contest (Deputy Senior Judge).

III. Organization of Refereeing

25. The work of the Panel of Judges commences with the determination of the quorum (at least 70% of the referees) and the approval of the agenda. A member of the Panel of Judges can give an oral (written) remark or a proposal on a particular issue on the agenda. To the member of the Panel of Judges who proposed the inclusion of specific issues on the agenda, should be given the opportunity to substantiate his position. Decisions on the inclusion of proposals submitted to the agenda of the commission and the procedure for its work are adopted by open voting on each proposal by a simple majority of the members of the Panel of Judges participating in the voting.

In case of equality of votes the decision is made on either priority of decisive vote of the Senior Judge of the Contest, or the final decision of the Senior Judge of the Contest when excluding him from the voting of the Panel of Judges.

26. Team Chief may submit proposals for the replacement of a referee appointed by him if he cannot perform his duties for objective reasons (illness, injury, etc.). Replacement of the referee is conducted no more than once during the Contest.

27. Team chief makes an application for the team participation according to the form set by the Regulation on Refereeing of the Games where he specifies team composition.

28. After consideration of applications for the participation a protocol of admission to the Contest is drawn up, which is signed by the members of the Panel of Judges and approved by Senior Judge of the Contest.

29. Team Chief has the right to apply to the Panel of Judges on the disputed issue. In case of a negative decision, the applicant can apply with the appropriate application to the Panel of Judges of the Games.

On application of the team chiefs at its meetings the Panel of Judges of the Contest considers disputable issues considers disputes on the organization and

progress of the Contest, and also keeps records of the interim results, on the basis of which the rating of the national teams in the contest is drawn up.

30. All results remain preliminary until the checklists of the referees on the route and the referees on trials are checked up. The results of the Contest are drawn up in a protocol of the established form, signed by the Panel of Judges and approved by the Senior Judge of the Contest. The referee who denied signing a protocol shall identify the reasons for it at the end of the protocol.

31. In case of disagreement in the resolution of issues, the final decision shall be taken by voting of the Panel of Judges of the Games that is not subject to discussion and appeal.

32. When considering disputes related to the use of weapons and vehicles, group of experts (expert) from the Host Nation may be invited. If necessary they may conduct tests to determine actual value and performance characteristics. If the Participating State has brought its own weapons and vehicles, Team Chief shall submit instructions and regulations on weapons and vehicles with indication of all values and performance characteristics in the Russian and English languages (or national language in case a contest takes place in the Co-organizer State).

33. The organizer shall make arrangements for the persons appointed to the Panel of Judges and conduct reconnaissance of competitions venues on the territory of organizer (co-organizer) of contests including one not later than 3 days prior to the contest beginning.

IV. Features of Refereeing

34. The Contest that was interrupted for technical, weather or other reasons shall be continued or finished on the same day. In case it is impossible, Senior Judge of the Contest shall make decision to reschedule it to the next day with the previous day results scored up.

During the competitions the weather conditions shall be equal for all teams (participants). Competition can be temporarily suspended upon request of the team chief and decision of Senior Judge of the Contest.

35. The uniform for the Panel of Judges, as a rule, summer field with armbands and reflective waistcoats (if necessary) with the symbols of the Games of the Contest.

36. In the case of the occurrence of preconditions for violation of safety requirements (force majeure circumstances) capable of influencing the final results of the contest, the Senior Judge of the Contest shall stop the competition (trial) for all teams on the route, with the stop of the time for the passage of the route for all teams, until the creation of safe conditions for the continuation of the contest. After eliminating the reasons for the stop of the competition (trial) at the command of the Senior Judge of the Contest the countdown resumes.

The team (participant) of the Contest who conducted a rough violation of security requirements which could be a reason for injury is removed from the competition by the decision of the Senior Judge of the Contest.

37. All participants of the Contest shall undergo a medical examination

before the start of each day of the competition. Participants who fail to undergo medical examination are not allowed to participate in the competition.

38. The order of the performance of teams and participants of the Contest is determined by the drawing.

The drawing is held as a ceremony before the start of the Contest by the Panel of Judges of the Contest in the presence of team chiefs and media representatives.

The personnel is either in formation or in the classroom.

The opaque bag (container) is located on the table in front of the formation (in the classroom). The contents of the bag (container) is presented to all drawing participants.

The captain of each team draws a token from the opaque bag (container) indicating the order of race or the order of the performance of his team. The order of race and performance of the team is determined by the chief (captain) of the team and presented to the Secretary of the Contest during the drawing.

The results of the drawing shall be drawn up by protocols, signed by the Panel of Judges of the Contest, approved by the Senior Judge of the Contest and sent to the Senior Judge of the Games through the representative of the Contest at the headquarters of the Games.

The whole personnel shall be informed on the drawing results upon their approval.

After the drawing chief (captain) of each team shall take the floor. Then all teams are invited to participate in the friendly battle of opinions after which each team shall present its name and motto it is going to follow during the Contest. Team may use stage property for such performance.

Battle of opinions, team name and motto are an integral (obligatory) part of the drawing ceremony.

It is possible to say mottos at the opening and closing ceremonies during the team introduction.

General photo shall be made after the drawing ceremony.

39. In the course of preparation for the competition, inspection of the venue of the competitions (trials), in the case of disagreements regarding the organization, the order of the Contest and refereeing, it is possible to specify the order of organization, holding the contest and refereeing. The decision is made out by the protocol and signed by the members of the Panel of Judges, the chiefs (captains) of the teams and approved by the Senior Judge of the Contest. The protocol is drawn up in several copies by the number of participating teams.

40. The Panel of Judges shall, before the start of the competition (trial), explain and show the boundaries of the competitions (trials) that are forbidden to cross by the participants of the teams, with the exception of next participants, representatives of the media, spectators and support personnel.

V. Final Results Protocols

41. After the end of the Contest before the final meeting, the Senior Judge of the Contest, together with the Deputy Senior Judge and the Secretary of the Panel of Judges, compile the report, which reflects the following sections: general data (name of the contest, terms, place and conditions of holding it); information on the participants of the contest (names of participating teams and their number, age); results of competitions; protests and decisions on them; discipline of participants (violations of military discipline, the schedule of competitions, the legislation of the host country); the state of the material base and the quality of medical care; compliance with safety requirements; evaluation of the work of the Panel of Judges, representatives of the teams; general conclusion with indication of disadvantages in the organization and holding of the contest and proposals for the implementation of measures aimed at improving the conditions in preparation for the next contest. Final results' protocols are prepared and signed in the Russian and English languages (in the national language on the territory of the Co-organizer State) and immediately announced (published). They can be reflected on a specially equipped display in the form of a running line.

42. On the eve of the closing ceremony the Panel of Judges shall hold a final meeting together with team chiefs and Organization Committee members. During the meeting they shall sum up the results of the Contest. The meeting agenda includes: adoption of rating lists on the basis of final protocols of the Contests; assessment of performance of Panel of Judges, team chiefs, support personnel and other persons involved into the organization and conduct of the Contest (advantages and disadvantages); assessment of readiness and self-discipline of the teams and their behavior during the Contest (if necessary).

VI. Procedure for Submitting Protests of Proposals (Applications)

43. The protest for the results of competitions of the Contest (decisions) of the Panel of Judges shall be submitted by the chief (captain) of the contest team in writing in the Russian and English languages (in the national language in the Co-organizer State), no later than one hour after the end of the competition, before approval of conforming results of the competition (trial) of the Contest. In any case the chief (captain) of the team shall in advance personally inform the Secretary of the Panel of Judges on his intention to submit a protest.

The protest is written for the name of the Senior Judge of the Contest and submitted to the Secretary of the Panel of Judges of the Contest.

The protest in an arbitrary form indicates the content of the disputed issue, the time and place of the disputed results of the competition, the actions (decisions) that require consideration by the Panel of Judges of the Contest, with the application of photo and video materials fixing the disputed results.

When deciding on a protest, the Panel of Judges in the presence of the chiefs (captains) of the teams shall listen to the explanations of the person who submitted the protest and the person against whom the protest was submitted. In case of non-appearance of interested parties, the decision can be taken in absentia.

Resolutions on protests are taken by open vote by a majority of votes of the members of the Panel of Judges of the contest who are present at the meeting.

Resolutions on protests are taken by open vote by a majority of votes of the members of the Panel of Judges of the Contest who are present at the meeting.

If the number of votes is equal, that half has the advantage where the cSenior Judge of the Contest is.

A decision made by the Panel of Judges of the contest, by which the applicant is not satisfied, may be lodged with a similar protest to the Panel of Judges of the Games.

44. On the issues related to the organization of the contest, an oral or written statement may be made to the representative of the Contest Organizer (Co-organizer) through the head of the Contest Secretariat.

The statement is made by the chief (captain) of the team orally during the Contest, no later than 1 hour after the event that caused the dissatisfaction.

If an oral statement cannot be resolved on the spot and require further analysis, the team chief (captain) must state his request in a justified written protest in an arbitrary form.

45. The Panel of Judges shall review the protests, influencing the results of the competition for the day of the Contest, on the same day, but not later than the approval of the protocol of the contest competition held.

The decision of the Panel of Judges is considered to be accepted, if there is a quorum and at least 70% of the commission members participate in the work, it must be formalized by the protocol and notified to the applicant.

Referees have the right to announce only the collegial decision of the Panel of Judges, formalized by the protocol. After the decision is made, the Senior Judge of the Contest cannot express his point of view on the disputable issues.

Taken decision is final and binding for all participants of the Contest, excluding cases of submission to the Panel of Judges of the Games.

VII. Bonuses and penalties

46. Bonuses.

For active and perfect performance of judges they may receive the following bonuses:

awarding of diplomas, certificates and valuable gifts determined by the Contest Organizer;

recommendations to ministerial rewards and merits, including material rewards.

47. Penalties.

For the violation of the Contets rules and unsporting behavior the referee has right to punish any team meamber in from of withdrawal of one point from the team result of one competition in the day when incident happened.

Unsporting behavior includes: disregard of referee commands; irreverence against a referee; touching of referee; usage of obscene words and insulting gestures; making hindrances to assessment of team actions; delay of the Contest

(competition).

48. Team whose representative interferes into the work of referees, demonstrates dissatisfaction with refereeing or behaves unethically (that is connected to violation of the active legislation of the state where the Contest is conducted) may receive admonition, warning or disqualification.

Per one competition a team may get one admonition and two warnings. After the third warning the team is disqualified.

In especially serious cases of rule violation the Panel of Judges of the Contest may disqualify the breacher (team) (for the gross violation of security requirements that caused injury).

Only the Senior Judge of the Contest has right to disqualify or withdraw a team from the Contest after the open voting of the Panel of Judges and drawing up of the protocol.

49. For nonperformance or non appropriate performance of refereeing and other violations referees may get the following penalties:

warning;

deprovation from refereeing;

disqualification with the set time of disqualification.

50. Decisions on imposition of penalties on referees are made by the Panel of Judges collectively by means of open voting and by majority of votes with drawing up of the protocols.
